

PITCH FOR TOMORROW – Idea Pitching Event

Pitch for Tomorrow is an idea pitching competition designed to bring together innovative minds to present solutions that address real-world challenges across emerging and impactful domains. This event provides a platform for students to showcase their creativity, problem-solving ability, and entrepreneurial mindset before an expert jury panel.

The competition will be conducted over five days, with one dedicated theme per day, encouraging focused innovation and domain-specific thinking.

Event Themes (5 Days – 5 Themes)

1. Mobility & Industry 4.0
2. AI & DeepTech
3. Clean & Green Tech (Sustainability)
4. Agri & Health care
5. Open Innovation

Event Structure

- **Round 1 – Abstract Submission**
 - Teams must submit a concise abstract describing their idea in the given format.
 - Shortlisting will be done based on innovation, feasibility, impact, and market potential.
 - Shortlisted teams will be directly moved to the final round.
- **Final Round – Idea Presentation**
 - Date:
 - Mobility & Industry 4.0 - **February 20**
 - AI & DeepTech - **February 21**
